### **An Important Advisory on Vigilance and Security dated 16<sup>th</sup> July 2020**

It has come to notice of the University that certain unscrupulous elements have been phoning unsuspecting persons asking them to donate generously to relief works being done by our University. The callers pretend to be from our University. THESE ARE FAKE CALLERS trying to dupe the gullible to make donations.

There are also phishing emails offering jobs and work from home offers. Kindly do not open these mails or click on the links. They rob your personal information and play havoc with your confidential data.

*Kindly be alert as well as sound the alert in your circles.*

If you can get the phone numbers and record such calls, bring it to the notice of:
