Dear Research Scholars,

Congratulations on attaining the status of a PhD Scholar of Assam Don Bosco University!

Hope you are doing well during these days and taking full care of yourself and of the people around you.

After your admissions, we had to start your PhD Course Work on-campus with effect from 26/April/2021 but due to COVID19 surge once again we are forced to reschedule and opt for an online platform that we used very successfully for the previous batch.

Thus, we have decided to conduct your Course Work online starting with effect from 03/May/2021.

We shall conclude the Course Work in the month of November 2021 (online or on-campus depending upon the situation in October/November).

For the online lectures you have to equip yourself with

1. A smart Mobile phone or preferably a Laptop capable of connecting to internet with audio and video
2. Google Meet App installed in your system
3. Good internet connectivity

Your research supervisor will be assigned and letters will be issued while your Course Work is in progress.

Details of the Course Work lectures will be notified on our website shortly (Please check our website regularly).

There will be an inaugural function online on 03 May 2021 starting at 10 AM sharp which you must attend.

Looking forward to hearing from you and meeting you online for the Inaugural Function and the Course Work,

JN Vishwakarma
